The Commission will issue a Decision regarding the applications following consideration of testimony and evidence presented at the evidentiary hearing. Copies of the applications, Staff Report, and any written objections to the Staff Report filed by Global Utilities will be available for public inspection during regular business hours at the offices of Global Utilities 21410 N. 19th Avenue, Suite 220, Phoenix, Arizona; the Commission’s Docket Control Center at 1200 West Washington Street, Phoenix, Arizona; and on the internet via the Commission’s website (www.azacc.gov) using the e-Docket function.

The Commission will hold a hearing on these applications on **June 2, 2015 at 10:00 a.m.**, at the Commission’s offices, 1200 West Washington, Hearing Room No. 1, Phoenix, Arizona. Public comments will be taken on the first day of the hearing. Written public comments may be submitted electronically by accessing the Commission’s website (www.azacc.gov) and clicking on the “Submit a Public Comment” button or by mailing a letter referencing Docket Nos. W-20446A-14-0290 and SW-20445A-14-0291 to: Arizona Corporation Commission, Consumer Services Section, 1200 West Washington, Phoenix, AZ 85007.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Any person or entity entitled by law to intervene and having a direct and substantial interest in the matter will be permitted to intervene. If you would like to intervene, you must file a written motion to intervene with the Commission, and you must send copies of the motion to Global Utilities or its counsel, and to all parties of record in the case. Your motion to intervene must contain the following:

1. Your name, address, and telephone number, and the name, address, and telephone number of any party upon whom documents are to be served in your place, if desired;
2. A short statement of your interest in the proceeding (e.g., a customer of the Global Utilities, a shareholder of Global Utilities, etc.);
3. A statement certifying that a copy of your motion to intervene has been mailed to Global Utilities or its counsel and to all parties of record in the case; and
4. If the proposed intervenor is not represented by an attorney who is an active member of the Arizona State Bar, and is not an individual representing himself or herself, information and any appropriate documentation demonstrating the intervenor's compliance with Arizona Supreme Court Rules 31, 38, and 42, as applicable.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before April 28, 2015. If representation by counsel is required by Arizona Supreme Court Rules 31 and 38, intervention will be conditioned upon the intervenor's obtaining counsel to represent the intervenor. For information about requesting intervention, visit the Commission's website at <http://www.azcc.gov/divisions/utilities/forms/interven.pdf>. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the applications or from filing written comments in the record of the case.

The Commission does not discriminate on the basis of disability in addition to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting the ADA Coordinator Shaylin Bernal, at SAbernal@azcc.gov, or voice phone number 602-542-3931. Requests should be made as early as possible to allow time to arrange the accommodation.
